

ENERGY VITALITY IMMUNITY STRENGTH

Dr Robert O. Young PhD
Alkaline balance pioneer,
Author, *The pH Miracle*,
ION LIFE User

"If someone was to ask me 'what is the one thing I can do for better health?' my answer would be to start drinking alkaline ionized water."

Even if you are eating acidic foods the most important thing is to start putting in this electron rich alkaline fluid so you can neutralize the acidic foods you are eating and help to maintain your alkaline design."

For decades the Japanese have known that an alkaline lifestyle helps maintain energy, vitality, immunity and strength.

For the last thirty years Japanese people have been using alkaline water to balance their inner terrain. It's only in the last seven years that people in the West have been able to access this amazing health secret.

Alkalinizing is even more important today because our lifestyle is more acidifying than at any time in history. We are faced with unprecedented levels of pollution, processed acidic foods, electro-magnetic stressors, fast acid-producing daily lifestyle and increased production of metabolic acid as a result of over-consumption and over stressing.

ALKALINE WATER:

neutralizes acid accumulation through foods and stress.

ACID FREE WATER

The ION LIFE Alkalizer not only alkalizes, it also supplies acid-only water, hailed in Japan as the secret of beautiful and naturally healthy skin.

ENERGIZING WATER:

Live water donates electrons to your body = more energy

PURIFIED WATER

0.1 micron antibacterial and chlorine reducing filter, adds calcium, magnesium and Far infra Red energy. Ten times industry standard filtration.

LOADED WITH

Beneficial calcium, magnesium and potassium.

ANTIOXIDANT

Abundant and free supply of negative hydrogen ions: a powerful antioxidant.

WETTER WATER

Superior hydration = sustained detox.

OXYGENATED WATER

Oxygen saturated water, up to 100% more than source water.

SUPER HYDRATING WATER

Tiny molecular groups penetrate cells supporting the flow of oxygen, antioxidants and alkaline minerals to body extremities.

Dr Masaru Emoto
Author, water researcher, lecturer.

Dr Emoto had his team at HADO Institute test his own ION LIFE Water Alkalizer and photograph the resultant frozen droplets.

Results showed the conversion of 'memory-less' Tokyo water to the spectacularly beautiful crystal on the back page of this catalogue. The ION LIFE water alkalizer is the only benchtop water filter system in the world that has been tested and given authority to publish these crystal images.

PEACE Water

the ION LIFE water alkalizer is the only benchtop water system in the world that has been tested by Dr Masaru Emoto, creator of the amazing crystalline photographs in his ground-breaking book, Messages From Water.

The images above show the transformation from Tokyo tap water to energized, alkaline, purified ION LIFE water. Dr Emoto's work demonstrated that water holds memory of influences even after chemical processing, but will exhibit the results of beneficial energies as these wonderful crystals.

IAN BLAIR HAMILTON, ION LIFE AGE 60

Alkaline Specialist Ian Blair Hamilton says - **MOST OF US ARE TOO ACIDIC!** We need the correct acid/alkaline balance to support natural wellbeing.

WHAT IS NATURAL WELLBEING?

Natural wellbeing is our fundamental health; not the kind of health we create through supplements and vitamins, but our most basic level of health; our ability to conserve our body rather than rust it away. Natural wellbeing is mental clarity, physical endurance, healthy skin, hair and nails. Natural wellbeing is high energy levels, a sense of inner enjoyment and fulfillment of life.

ACID OVERLOAD

Our modern world of computers, high speed lifestyle, fast food, pollution and stress -all contribute enormous amounts of acidic overload. Excess acid can manifest as nervous energy or lethargy, ageing skin, overweight or underweight, poor performance or depression - plus many other symptoms including digestion upsets, asthma, gout, CFS, MS, skin and sleep disorders.

IT'S A SCIENTIFIC FACT: ALKALINE NEUTRALIZES ACIDS!

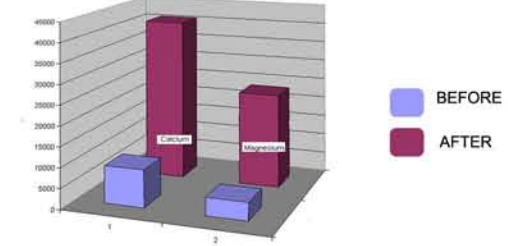

If your aquarium or garden bed is too acidic neither fish nor plants will survive. We are 80% water: it makes sense to balance our water.

WHY WOULD IT BE ANY DIFFERENT JUST BECAUSE WE ARE HUMAN?

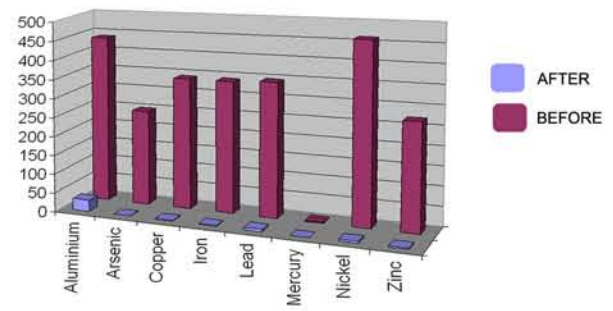

The BIOSTONE water filter cartridge; ten times industry standard filtration ability. (.1 micron)

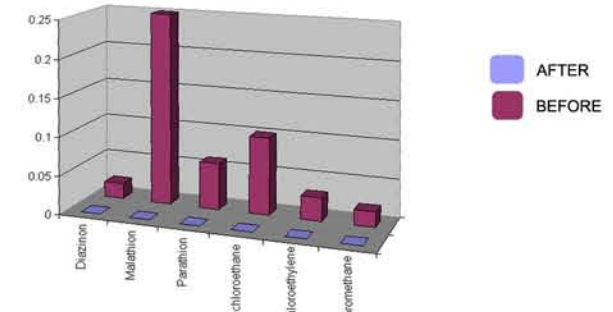

INCREASED ALKALINE MINERALS*

REDUCED HARMFUL MINERALS*

BECOME AN ALKALARIAN We're energized, Healthy and ALKALINE!

There are many ways to balance your acid overload and we've tried them all; diet, meditation, breath, seaweed, home remedies - they all work to some extent. However we believe the most consistent and efficient method of delivering alkalinity to all areas of the body - is WATER. Even to WORLD HEALTH ORGANISATION now demands that minimum standard water worldwide be alkaline, yet many Australians are still forced to drink acid or at best, neutral tap water.

IMAGINE

Drinking fresh, clean, live and energized ALKALINE water - 100 times more powerful than tap water. Each glass loaded with acid neutralizing alkaline minerals and energy producing negative ions to help you reclaim your life again. Every drop of ION LIFE water is a powerful antioxidant that is just waiting to neutralize another free radical!

It's like living next to your own waterfall!
