

Giddy Up for Wishes One Woman's Desire to Make a Difference

A unique cross-country horseback ride by Martha Birkett
to raise money and awareness for the Children's Wish Foundation.

Martha will leave Ottawa on March 30 and ride 3500 km along the TransCanada
Highway to Calgary, arriving in time for the July Stampede. Please support her
dream to help children with life-threatening illnesses realize their most heart-felt wish!

You can make a donation and follow Martha's progress at:
