

.30-06 Cowboy Pen Refills

We don't stock refills for the .30-06 Cowboy Pen as they are readily available at many of the better-stocked office supply or stationary stores ... particularly stores that carry a wide variety of pens.

Even Staples has a couple of refills that fit:

Zebra Tele-Scopic 4C-Refill, Black (2-pack)

(Blue and red are also available.)

UPC# 0-4588884412-4

Staples: \$1.79 / SKU# 711455

Staedtler Multi-Action Pen Refill

(But is a 3-Pack with one each red, blue, black)

UPC# 0-3190192141-5

Staples \$3.29 / SKU# 396404

On the Internet, the best deal I've found is the Levenger Mini Pen refills (#PR0166). I found them priced at \$6/5pk at the www.levenger.com web site.

But my personal favorite refill is the Fisher Pressurized Universal Refill (#SU4F). These are just like the famous Fisher Space Pen and will write upside down, under water, and on surfaces that other ballpoint pens just won't write at all. It is a universal refill and you just break it off (at one of two places) to fit the pen. They are a bit on the expensive side at about \$2.00 each but, to me, it was well worth the cost. I previously bought one at Staples but was just there and they were no longer on the shelf. I haven't checked any other stores but they are easily found on the Internet. Just do a search for "Fisher SU4F". Here is a link to one of the many web sites that sell this refill:
