Brad Hojek Jr., Grandson of the Late Evergreen Park Fire Dept. While deployed, Brad was shot several times and suffered serious injuries. Currently he is back in the states at a Military Hospital in Texas. Please help with donations as Brad's road to full recovery will be long and challenging. Brad's family is extremely grateful for any donations that will help enable his family to be there with him throughout his long road to recovery. Anything would be greatly appreciated.

Thank You and God Bless Our Troops
